

A wide-angle photograph of a field of roses. The foreground is filled with numerous light pink and white roses in various stages of bloom, some in sharp focus and others blurred. The field extends to the horizon under a clear, pale blue sky. The text "LEINOT FARMS" is centered in the middle of the image.

LEINOT FARMS

PREMIUM STANDARD ROSES

EVER RED
RED
PREMIUM

The Ever Red rose is a premium cut flower variety known for its deep velvety red color, elegant bud shape, strong stems, and excellent vase life, making it ideal for luxury bouquets and events.

MANDALA
PINK
PREMIUM

The Mandala rose is a premium cut flower variety admired for its soft lavender-to-pink tones, elegant bloom shape, strong stems, and long vase life, making it ideal for luxury bouquets, weddings, and specialty floral arrangements.

FIORE
PINK BI-COLOUR
PREMIUM

Fiore is a premium standard rose from United Selections, prized for its elegant, refined blooms and sophisticated presentation. Its strong stem length and excellent vase life make it ideal for premium retail, bouquets, and luxury floral arrangements.

MONT ROYAL
WHITE
SUPER PREMIUM

Mont Royal® is a super-premium white standard rose from Jan Spek Rozen, renowned for its pristine white colour, lush petal count, and elegant bud formation. Its excellent vase life and strong transportability make it particularly suited to luxury bouquets, weddings, and premium export markets.

PINK FLOYD!
PINK
PREMIUM

The Pink Floyd rose is a premium cut flower variety celebrated for its vibrant hot pink blooms, large head size, strong stems, and excellent vase life, making it a standout choice for bold luxury bouquets and event arrangements.

CONFIDENTIAL
ORANGE
PREMIUM

The Confidential rose is a premium cut flower variety known for its deep romantic orange-redish tones, elegant bloom shape, strong stems, and excellent vase life, making it ideal for luxury bouquets and sophisticated floral arrangements.

BAHATI
PURPLE
PREMIUM

Bahati® is a premium purple standard rose from De Ruiter, distinguished by its sophisticated lilac-purple colour, large heads, and strong, elegant stems. Its excellent vase life of 12–14 days and consistent quality make it well suited to premium export markets, luxury bouquets, and high-end floral design.

NOVA VITA
WHITE
PREMIUM

The Nova Vita rose is a premium cut flower variety known for its vibrant pink blooms, elegant bud shape, strong stems, and excellent vase life, making it ideal for luxury bouquets and contemporary floral arrangements.

RISE & SHINE
YELLOW
PREMIUM

Rise & Shine® is a premium yellow standard rose from United Selections, distinguished by its intense, vibrant yellow colour and elegant conical bloom shape. Its long stems, attractive opening, and strong visual impact make it an excellent choice for premium bouquets, floral designs, and export markets

BIRD'S NEST
PINK
PREMIUM SPRAY ROSE

Birds Nest spray roses are a premium garden spray-type variety known for their unique clustered bloom formation, soft pastel-to-blush tones, and delicate, romantic appearance. They produce multiple small blooms per stem, have strong branching, and offer a good vase life, making them ideal for textured bouquets and wedding arrangements.

PINK DIMENSION
PINK
PREMIUM SPRAY ROSE

Pink Dimension spray roses are a premium garden spray variety known for their soft to medium pink clustered blooms, strong branching stems, and abundant flowering per stem. They have a refined, romantic look and good vase life, making them ideal for wedding work and delicate, feminine bouquet designs.

PEACH DIMENSION
PEACH
PREMIUM SPRAY ROSE

Peach Dimension spray roses are a premium garden spray variety featuring soft peach-toned clustered blooms, strong branching stems, and multiple flowers per stem. They offer a warm, elegant look with good vase life, making them ideal for weddings, romantic bouquets, and pastel floral designs.

IN LOVE
RED
PREMIUM SPRAY ROSE

In Love® is a premium red spray rose from Interplant, distinguished by its rich red colour, refined bud forms, and larger-than-standard spray blooms. With 60–70 cm stems and a 10–12 day vase life, it combines elegance and strong commercial appeal for premium bouquets, retail, and export markets.

GOOD MOOD
PINK, CREAM
PREMIUM SPRAY ROSE

Good Mood® is a premium spray rose from Interplant, featuring a soft pink-to-cream colour combination and attractive, garden-style blooms. Its distinctive bi-colour appearance, good head size, and strong commercial performance make it well suited to premium bouquets, retail, and luxury floral arrangements.

SNOWY TRENDSETTER
WHITE
PREMIUM SPRAY ROSE

Snowy Trendsetter is a premium spray rose distinguished by its elegant white clustered blooms, refined garden-style character, strong stems, and luxurious appearance, ideal for weddings and high-end floral designs.

SUMMER ROSE
SOFT ROMANTIC CREAMY PINK
PREMIUM SPRAY ROSE

Summer Rose is a premium spray rose featuring soft romantic pink blooms, elegant clustered flowers, and a refined garden-style character, ideal for luxury bouquets and wedding designs.

GENTLE TRENDSETTER
SOFT BLUSH PINK
PREMIUM SPRAY ROSE

Gentle Trendsetter is a premium spray rose featuring soft blush-pink blooms, an elegant garden-style form, and abundant clustered flowers, ideal for luxury weddings and sophisticated floral designs.

DIMA BOMBASTIC
PURPLE
PREMIUM SPRAY ROSE

Dima Bombastic is a premium spray rose featuring rich pink clustered blooms, a lush garden-style form, and exceptional visual impact, ideal for luxury bouquets and sophisticated floral designs.

VELVET BLOSSOMS
RED
PREMIUM SPRAY ROSE

Velvet Blossoms® is a premium red spray rose from United Selections, distinguished by its deep velvety-red colour, uniform bud formation, and beautifully balanced sprays. With 40–70 cm stems, 5–6+ buds per stem, excellent vase opening, and a 10–12 day vase life, it delivers exceptional richness and volume for luxury bouquets, romantic arrangements, and premium floral design.

SWEET BLOSSOMS
PINK
PREMIUM SPRAY ROSE

Sweet Blossoms® is a premium spray rose from United Selections, distinguished by its delicate baby-pink blooms with creamy outer petals, creating a soft and sophisticated contrast. With 50–70 cm stems and a 12–14 day vase life, its romantic colouring and elegant spray form make it especially suited to luxury weddings, premium bouquets, and high-end floral design.

GARDEN PREMIUM ROSE

JULIETTA
PINK
GARDEN PREMIUM ROSE

Julietta® is a super-premium garden spray rose from Georges Delbard, celebrated for its large, lush blooms in a sophisticated creamy blush-to-pale pink colour palette. Its generous flower heads and clustered spray form create exceptional volume and elegance, making it ideal for luxury bouquets, weddings, and high-end floral design.

MAYFIELD!
PINK
GARDEN PREMIUM ROSE

Mayfield!® is a premium pink garden-style rose from Schreurs Roses, distinguished by its large 9–10 cm blooms and extraordinary 100–110 petal count, creating a lush, romantic rosette form. Its soft pink colouring, impressive fullness, and 50–80 cm stems make it an exceptional choice for luxury weddings, premium bouquets, and high-end floral design.

JULIETTA CERISE
CERISE
SUPER PREMIUM GARDEN ROSE

Julietta Cerise by Delbard is a premium garden spray rose featuring vibrant cerise-pink, rosette-shaped blooms with a lush romantic character, ideal for luxury bouquets and sophisticated floral designs.

KINGSCROSS!
FRUITY PEACHY TONES
GARDEN PREMIUM ROSE

Kings Cross® is a premium garden-style rose from Schreurs, distinguished by its warm fruity-peach tones, wavy petals, and beautifully sculpted garden shape. With approximately 70 petals, 5.5–6.5 cm blooms, and 40–80 cm stems, its rich texture and distinctive colouring make it an exceptional choice for luxury weddings, premium bouquets, and sophisticated floral design.

WEDDING CHAPPEL!
CREAM
GARDEN PREMIUM ROSE

Wedding Chapel!® Wedding Chapel!® is a premium garden-style cream rose from Schreurs Roses, distinguished by its large 8–11 cm blooms, 70–80 petals, and soft, elegant cream colouring. With 50–90 cm stems and a 10–12 day vase life, its luxurious fullness and timeless bridal aesthetic make it an exceptional choice for high-end weddings, luxury bouquets, and sophisticated floral design.

FATIMA GARDENS!
BUTTERY YELLOW
GARDEN PREMIUM ROSE

Fatima Gardens® is a premium garden-style rose from Schreurs, distinguished by its large, deeply cupped bloom, creamy ivory outer petals, and warm buttery-yellow heart with subtle blush undertones. With around 90 petals and a 10–12 day vase life, its exceptional fullness and luminous colouring make it an outstanding choice for luxury weddings, premium bouquets, and sophisticated floral design.

JUST MORE!
PURPLE
GARDEN PREMIUM ROSE

Just More!® is a premium garden-style purple rose from Schreurs Roses, distinguished by its rich purple colouring, lush 7–8 cm blooms, and extraordinary 100–110 petal count, creating an exceptionally full and luxurious appearance. With 40–70 cm stems and an excellent 11–14 day vase life, it is an outstanding choice for luxury bouquets, high-end events, and sophisticated floral design. (schreursroses.com)

AURORA!
WHITE/CREAM
GARDEN PREMIUM ROSE

Aurora Gardens!® is a premium garden rose from Schreurs, distinguished by its wavy cream-and-white petals, exceptionally full 116-petal count, and large, romantic cup-shaped bloom. Its luxurious opening and subtle lavender fragrance make it an exceptional choice for high-end weddings, luxury bouquets, and sophisticated floral design.

ANTONIA GARDENS!
CREAM/BURNT YELLOW
GARDEN PREMIUM ROSE

Antonia Gardens!® is a premium garden-style rose from Schreurs, distinguished by its creamy ivory petals, warm golden-yellow heart, and exceptionally full, softly ruffled cup-shaped bloom. Its abundant petal structure and luminous colouring create a luxurious, romantic presence, making it an exceptional choice for high-end weddings, premium bouquets, and sophisticated floral design.

SUNDERLAND!
LIGHT PINK
GARDEN PREMIUM ROSE

Sunderland Gardens!® is a premium garden-style rose from Schreurs, distinguished by its delicate light-pink tones, soft romantic character, and beautifully layered, full garden-style bloom. Its graceful colouring and luxurious opening make it an exceptional choice for high-end weddings, premium bouquets, and sophisticated floral design.

SPECIALITY / NOVELTY

PHLOX
PURPLE, WHITE, PINK, BLUE
SPECIALITY / NOVELTY

Phlox is a premium summer cut flower line known for its dense, upright flower heads with abundant small star-shaped blooms in vibrant pink, lavender, white, and bi-colors. It has strong stems, uniform growth, and good vase life, making it ideal for adding volume, color, and texture to bouquets and floral arrangements.

LYSIMACHIA
WHITE
SPECIALITY / NOVELTY

Lysimachia flower is a structural filler flower known for its upright spikes of small star-shaped blooms, typically in soft yellow or white tones. It has strong, straight stems and adds natural texture and height to floral arrangements, with a good vase life and a slightly wild, garden-like aesthetic.

CAMPANULA
BLUE, WHITE & PINK
SPECIALITY / NOVELTY

Campanula is a premium cut flower known for its charming bell-shaped blooms, strong upright stems, and delicate garden character, adding elegant texture and volume to luxury floral arrangements.

DELPHINIUM
SKY BLUE, PURE WHITE, LAVENDER
SPECIALITY / NOVELTY

Delphinium is a premium cut flower known for its tall, elegant flower spikes, vibrant blooms, strong stems, and exceptional vertical impact in luxury bouquets and floral arrangements.

ASTERS
PINK, WHITE, PURPLE, BLUE
SPECIALITY / NOVELTY

Asters are premium cut flowers known for their abundant daisy-like blooms, vibrant colors, strong stems, and excellent vase life, adding refined texture and volume to luxury floral arrangements.

ZINNIA
SALMON, ORANGE, PURPLE
SPECIALITY / NOVELTY

Zinnia is a premium cut flower known for its large, vibrant blooms, strong stems, rich colors, and excellent vase life, adding bold texture and garden-inspired elegance to luxury floral arrangements
